• Optional Integrated Barcode Scanner.

• Optional Integrated Thermal Printer.

• Many Configurations & Options.

• Easy Access Comms & Cable Management.

SAM4S SPT-7652 SPECIFICATION		
SYSTEM	CPU	5th Generation Intel N3160 Quad Core 2.24Ghz Fanless Processor.
	MEMORY	DDRIII 1 Slot 2Gb (up to 8Gb).
	SSD	SATA-III 2.5" 1 Slot 320Gb HDD.
DISPLAY	LAN	1 x 10/100/1,000Mbps.
	LCD	PCT Projected Capacitive Touch Technology - Supports Multi-Touch.
INTERFACE	TOUCH	True Flat 15 Inch Touch.
	SERIAL	2 x 9 Pin (RI/5V/12V Bios Selectable) 2 x RJ45.
POWER	USB 3.0	4 x Ports.
	USB 2.0	2 x Ports.
	HDMI	1 x Port.
	DRAWER	1 Port (12V/24V Selectable).
	AUDIO	3 Ports (Line In/Line Out/Mic In) + Internal Speaker (2.0W).
OS	ADAPTER	60W External Adaptor.
	INPUT/OUTPUT	Input AC100-240V/50-60Hz, Output DC 12V/5.0A.
Windows POSReady 7, Windows 10 IoT & Linux.

SAM4s SPT-7652

15" Fanless LED Touch Screen

The Sam4s SPT-7652 PC POS terminal has many added benefits making it excellent value for money and a great investment as your POS equipment.

The Sam4s SPT-7652 utilises the latest 5th generation processing technology developed by Intel which provides exceptional processing power for the most demanding POS software solution, but at the same time is energy efficient and noise reducing thanks to its fan-less processor design.

With its vibrant & precise 15" projective capacitive multi-touch display is extremely durable in most environments including withstanding water contact, dust and grease.

The Sam4s capacitive touch panels will activate with either a bare finger or a capacitive stylus preventing users from using pens, credit cards or sharp objects which potentially would reduce the life expectancy of resistive touch panels.

In addition the screen has a more vivid and crisp colour enhancing the quality of the POS user interface. Coupled with its on board SATA 320Gb HDD, ensures the Sam4s SPT-7652 has the capacity required for all retail and hospitality environments.

With optional integral thermal printer and multi-beam barcode reader the Sam4s SPT-7652 becomes a self-contained POS solution with the advantage of a smaller overall foot print.

With its spill proof multi-touch bezelless display, ergonomic design available in a high quality black finish the Sam4s SPT-7652 offers outstanding value for money.
